It's a great neighborhood, and this classic Fairmount colonial is ready now to welcome you home. Gorgeous chestnut trim and wonderful architectural details abound. While summer lingers, there is time to enjoy a barbecue with family and friends in the yard. When winter hits, get cozy by the wood-burning fireplace. Big storms? No problem for the whole-house generator: it'll keep you safe and warm. It's only a short hop to transportation, great takeout food and outdoor dining. A little imagination will make this vintage beauty all yours.
